CHRISTMAS/OFFICER INSTALLATION RALLY

RALLY HOSTS: April & Jack Isbell, Nancy & Red Childers, Vaughnette & Bob Stogdill

“THE REGAL BEAGLE BARKS”

What do you say after being at the helm for a year? For starters, we have enjoyed the entire year. If anything, we are ready for more involvement. We have seen first hand, members put together Unit Rallies, solve problems and further develop life long friendships. Our plans are simple. We’re going to the Luncheon, Hosting a Rally, going to the Region Rally, going to the International Rally and have already made plans to attend the Ozark Caravan. In short, we’re planning on staying involved. I have one more year on the board as head of the nominating committee. We have to secure a third vice president, which we will do . It’s a great time to get more involved.

Sherry and I would like to thank the entire membership for making this past year such a wonderful success. We are looking forward to working with Jerry and Carol and are excited about their plans for the future.

Thanks, Hub

Greetings to all. I hope everyone has enjoyed the holiday season and are looking forward to the new year. We missed seeing Irene Lyddon and Sue Gaines at our December rally. Irene is still having some problems walking and may be looking at surgery in the near future. Sue was hospitalized for a short while but was released in time to enjoy the holidays.

It was good to see Nelda and Rob Tope. Nelda has made great strides with her walking after her serious bicycle accident this past summer. Searcy and Fred Kracke joined us Saturday night and Searcy was hoping Santa would bring her a new cane as she is doing well without using her walker so much.

My wish for everyone in 2019 is to enjoy good health, and to have safe travels wherever you go.

A Message from Bob Jones RV

Hello to all our Greater Houston Airstream Club members from the gang at BOB JONES RV.

We would like to express our excitement about an advanced service we are providing. BOB JONES RV has invested in a SEAL TECH machine that will pressurize the interior cabin of any coach, allowing us to detect leaks by soaping the complete exterior. It will identify efficiently any breaches in the exterior seal that will cause water leaks ultimately causing damage.

Our service team will pinpoint problem areas on a chart and consult with the customer a plan for corrective action. This is a true cost saving & preventive measure to protect your RV investment. The cost is \$230 - \$345 depending on your coach configuration. So give us a call to discuss how we can protect your RV, we think you'll be glad you did!
